# GRADUATION VIDEO

Share this extremely proud accomplishment with family and friends with a DVD video of this once-in-a-lifetime ceremony. The ceremony is recorded each week on high definition video equipment to ensure the highest possible quality. The production at the beginning of the DVD takes you on a mini-tour of Cape May, New Jersey. This is followed by "Just 8 Weeks", an 18 minute documentary of the general USCG Boot Camp experience (produced by the US Coast Guard before your graduate entered training). This exciting graduation DVD includes close-ups of graduates, special awards, and graduation certificate presentations. After the companies are dismissed, we continue recording and capture the emotional reunion of the graduates and their families and friends.

Order your documentary DVD today at our **sales table, online** on our website, or for your convenience fill out the **mail in order form** below. We recommend ordering a backup copy for your archives. Mail orders to VTS Video & Media at the address below. Telephone orders accepted with a credit card number. A graduation DVD costs only \$35.00 each, including shipping and handling. NJ residents, please add 7% Sales Tax. (Additional shipping charges outside the US). Please allow 4-6 weeks for delivery. **Masters will be archived** for future orders.
